Celebrating 100 years  
of  
Korean Cinema

## KOREAN FILM COUNCIL

The Korean Film Council(KOFIC), established in 1973, is a specialized organization entrusted by the Ministry of Culture, Sports and Tourism of the Republic of Korea that focuses on supporting film related business of the Wider State Sector.

KOFIC is run by nine commissioners composed of one standing chairperson and eight non standing members, and a secretary general. The members work towards the improvement of the quality of cinema and the promotion of Korean films and film industry both in Korea and abroad.

## KOFIC'S MAIN ACTIVITIES ARE AS FOLLOWS

01

Establish of plans to promote the film industry.

02

Management of Korean Film Development Fund.

03

Provision of support for the production, distribution and screening of films in order to ensure the quality of films as well as greater diversification.

04

Management of film production facilities, including the KOFIC Namyangju Studios.

05

Support in the form of overseas marketing and promotion of international exchanges.

06

Research and development.

07

Education and training of film-related human resources.
